Program Descriptions

INCLUDED WITH ADMISSION

Bucket Challenge *Location: Base of the Lighthouse tower (Map #5)*

Find out if you could handle being the keeper of the St. Augustine Lighthouse in the late 1800s at this fun program that demonstrates and discusses daily life of the keepers.

Dead Reckoning *Location: Boatbuilding (Map #9)*

Learn how sailors navigated the high seas and inland waters before GPS, radar and accurate maps.

Finding Shipwrecks and Why They Matter *Location: Conservation Lab Porch (Map #14)*

Learn how archaeologists search for and find shipwrecks buried under the ocean floor and discover why these nonrenewable resources are important.

Improv at the St. Augustine Lighthouse *Location: Base of the Lighthouse tower (Map #5)*

Help your docent decide what stories to tell from Lighthouse past and be surprised by what you hear!

Lighting the Way *Location: Maritime Archaeology & Education Center (Map #13)*

See how lighthouses throw light 19-25 miles out to sea and learn the importance of lighthouses to early shipping and navigation.

Sailor Lingo and Superstitions *Location: Boatbuilding (Map #9)*

Hear common and not-so-common phrases and words that were a matter of life and death aboard ship.

Stories from Beneath the Waves *Location: Conservation Lab Porch (Map #14)*

Working underwater in low visibility offshore of St. Augustine, archaeologists often document shipwrecks using only their sense of touch. Try your hand at this and "see" how knowing the artifacts and their location on the shipwreck reveal stories not otherwise known.

That's an Artifact? *Location: Conservation Lab Porch (Map #14)*

Uncover more stories in the lab and find out how artifacts unlock the secrets of shipwrecks and the people onboard.

Tools of the Trade *Location: Boatbuilding (Map #9)*

Discover how early boatwrights bent and shaped wooden beams and made waterproof craft.

SPECIALTY PROGRAMS

Dark of the Moon Ghost Tour

The Dark of the Moon tour is the only tour that gets you into the Lighthouse at night. Glow sticks light the way as guides share the history and ghost stories of the Lighthouse. Investigation-only events, where guests spend time on a paranormal investigation, are also an option for your group by request. See for yourself why we are consistently ranked as one of the most haunted sites in St. Augustine

Walk with a Keeper's Tour

Experience a personal, hour-long visit with St. Augustine's Lighthouse Keeper as you stroll around the station and climb a working lighthouse. Bring all of your questions and imagination. Learn what it was like to be a lighthouse keeper of the past and today.

Sunset Moonrise

See breathtaking views of the sunset and full moonrise from atop the Lighthouse while enjoying champagne and appetizers. Offered once per month all the full moon
